**Note:** It is recommended that you schedule an appointment with your academic advisor or staff at the study abroad office at your home institution (or with the faculty/staff member designated to advise on international programs). The advisors can inform students as to which subjects studied overseas can count toward completion of major requirements, and ensure that credits are awarded for coursework completed while studying at the Institute.

The Institute establishes an application file upon receipt of any of the above materials. The materials need not be mailed together. However, admission decisions will not be communicated until all materials have been received. Upon acceptance to the Institute, applicants must submit a non-refundable deposit of US \$500 which will be applied to the program fees. Admission into the program will not be secured without the deposit.

I understand that submitting an application for a study abroad program does not guarantee acceptance into the program. Candidates must meet program requirements and be approved by the program's admissions committee. Participation is also subject to availability; some courses and programs fill up early. I further understand that the program or individual courses may be cancelled due to low enrollment or other factors and I understand that I will be informed of such a decision no later than four weeks before planned departure date or as soon as possible after any adverse circumstances that cause the program to be cancelled.

I hereby release and forever discharge the Institute, its members individually and their officers, agents and employees from any and all claims, demands, rights and causes of action of whatever kind, arising from or by reason of any personal injury, property damage, or the consequences thereof, resulting from or in any way connected with my participation in the Program. I further covenant and agree that for the consideration stated above I will not sue the Institute, its members individually, its officers, agents, or employees for any claim for damages arising or growing out of my voluntary participation in this program.

I hereby authorize officials at any educational institution that I have attended to release my disciplinary records (including but not limited to records maintained by the Registrar, the Department of Housing, and/or the Office of Academic Affairs) to the study abroad program director of the program to which I am applying. I understand that my disciplinary records may be a factor in evaluating my application.

I further acknowledge that the information provided on this application is true and accurate to the best of my knowledge. I fully understand that providing false information during the application process may be grounds for rejecting my application or grounds for dismissal without compensation from the study abroad program.
